

Standard 17. Exterior Light (rear)

Example #3 Replacement Black Country Cottage lantern Information:

The replacement lantern is available from LampsPlus.com.

Description:

The Country Cottage Black ENERGY STAR® Outdoor Wall Light is a stylish outside wall lamp that offers great looks, plus the convenience of a built-in motion detector and dusk-to-dawn sensor. A handy security feature around garages and patios, the motion sensor has a 180 degree, 30 foot range. The design also comes with the Dual Brite two-level lighting feature, which brightens the light output from the light when motion is detected.

Specifications:

Color/Finish: Black
